IOWA TALKING ABOUT LEWIS

All Des Moines and Central Iowa, where there is an unusual interest in football because of several colleges, was talking yesterday about "Chuck" Lewis, 67-yard run for a touchdown in the Ames-Missouri game Saturday. From talk of the Iowa-Illinois game the conversation always drifted back and centered on this play. Des Moines papers yesterday lauded Lewis as one of the greatest halfbacks in the country.

As Lewis skirted the right end his interference seemed to be perfect. The Ames defense crumbled before them. But soon Lewis had left his interference behind, and he dodged this way and that still arm and stepping away from the halfback men as they tried to tackle him. On the Ames 5-yard line "Polly" Wallace, Ames center, overtook Lewis, but the Tiger captain slowed down and then stepped out of his arms toward the goal. Three men seemed to be hanging onto his body as he staggered across the goal.

Missouri played a good game in every respect except for the eight fumbles they made. Des Moines sport critics yesterday declared that the work of the line could not be improved upon except possibly in the breaking up of passes. Ames realized this before the game, and all last week the team practiced forward passes. Ames made only one first down through the line, trying time and time again to score by passing. Of thirty-four attempts only seven were successful.

The Tigers played a defensive game

for the most part, trying to score only when they knew they needed points. After the second touchdown the game was won and the injured halfback men were spared whenever possible. Lewis punting out at once unless the play was in mid-field. Lincoln went into the game for the last two minutes, taking Hume's place at fullback.

Ames scored her two points on a safety. The officials never agreed on the decision rendered, however. Packwood received the ball on Missouri's 1-yard line and was immediately tackled, then thrown back over the line and downed. O. E. McBride, the umpire, held that the ball was dead at the farthest point of advancement, or when Packwood was tackled, and that the score did not count. He was outvoted, however, by Grover, the referee, and the headlineman. The summary of the game:

DRAKE HAS A STRONG TEAM

A study of the results of the Drake, K. U. game Saturday leads stronger to the claim that Drake has a 92 yards from scrimmage and Drake 125. From this it appears that Drake has a better team, as far as straight football is concerned than the Jayhawkers. It was aerial play that gave the Jayhawkers their victory. They aggregated a total of 82 yards on passes with only two failures. Drake threatened several times during the game but was unable to put across a score.

Drake's three points were the result of a 55-yard drop kick by Brindley, Drake quarterback.

WASHINGTON HAD A HARD GAME

Washington University was barely able to nose out a victory over Grinnell Saturday, after the hardest sort of uphill fighting in the second half. The first half ended with Grinnell on the long end of a 14-6 score, the Pikers having failed to show anything like the form of last season. But after the second half opened Washington made a touchdown within a very few minutes. Thompson, who was not in with the score 14-13 against the Pikers in the third quarter, hoisted a 40 yard drop-kick. The final Washington touchdown came in the last quarter when repeated plunges by Griesdick and Berger carried the ball to within scoring distance. Potthoff then carried the ball across the line.

MISS MCLENDON WINS TENNIS CHAMPIONSHIP

Miss Martha McLendon won the women's tennis championship Saturday when she defeated Miss Jane Swafford, 6-6, 6-3, 6-6. Miss McLendon is the sophomore champion and Miss Swafford, the senior champion.

TWO TIGERS INJURED SATURDAY

Gospel and Springgate were the only tigers to receive injuries in the game Saturday. Springgate's knee was wrenched in the first quarter and he had to be helped from the field. When he went to

the Parker Memorial Hospital Sunday for examination, he was retained there for treatment. This was the second injury of the season to Springgate's knee.

Gospel received a bruise on the right hand. An X-ray picture was taken this morning to determine whether or not any bones are broken.

TO GIVE CLOTHING TO POLAND

Methodist-Episcopal Women Seek Help From the People.

A campaign to help supply the need for clothing in Poland has been undertaken by the Woman's Missionary Council of the Methodist Episcopal church. In this campaign the local missionary society will co-operate.

Mrs. O. B. Wilson, chairman of the department of supplies of the Woman's Missionary Society of the Broadway Methodist Church will have charge of the collection and packing of supplies that may be contributed. Articles especially in demand are clothing for men, women and children; bedding, towels, soap and material for bandages. Clothing for winter is especially desirable.

Articles will be received at the basement of the Broadway Methodist Church next Monday or Tuesday where they will be packed for immediate shipment. They will also be collected if the address is telephoned to the church.

GET onto the facts and you'll get off the fence.

Right from the start Spurs let you know what you're smoking. Plain as day, on the back of the package it says: "In Spur Cigarettes the good tobaccos from the Orient are properly mixed with Burley and other home-grown tobaccos."

In your language that means "good old-time tobacco taste." Haven't you just about been hankering for it?

Those good tobaccos are rolled in satiny, imported paper—and crimped, not pasted. That's something to know, too. In smoker's talk, crimping means "easier drawing, slower burning, better taste." Examine a Spur and see how it's made.

And as the finishing touch, Spur's fragrance and freshness are signed, sealed and delivered in a three-fold rich brown and silver package.

Hop off the fence—and land on Spurs.
